Department of Public Safety Office of Homeland Security

Equipment Disposition Request Form

Purpose of Disposition of Equipment/Property:

When original or replacement equipment acquired with Homeland Security (HS) funds is no longer needed for the original project or program, the equipment may be retained, sold, or disposed, if not needed in any other Federally sponsored program. This form may be utilized to request to remove an equipment item from the inventory:

- 1) The subrecipient must obtain written (email) approval from the Division of Grants prior to disposing of any equipment purchased with HS funds.
 - a. Equipment with the per item fair market value of less than \$5,000.00 may be retained, sold, or disposed with no further obligation to the awarding agency.
 - b. Equipment with a per item fair market value of \$5,000.00 or more may be retained or sold. If sold, the awarding agency (OHS) shall have a right to the fair market value proceeds from the sale of the equipment.
 - c. See 2 CFR 200.313 Equipment and other capital expenditures, and Office of Homeland Security Ad
- 2) This form along with the approval will need to be maintained in the subrecipient grant files.

Equipment Disposition Request Form

Purpose of Disposition of Equipment/Property:

When original or replacement equipment acquired with Homeland Security (HS) funds is no longer needed for the original project or program, the equipment may be retained, sold, or disposed, if not needed in any other Federally sponsored program. This form may be utilized to request to remove an equipment item from the inventory:

- 1) The subrecipient must obtain written (email) approval from the Division of Grants prior to disposing of any equipment purchased with HS funds.
 - a. Equipment with the per item fair market value of less than \$5,000.00 may be retained, sold, or disposed with no further obligation to the awarding agency.
 - b. Equipment with a per item fair market value of \$5,000.00 or more may be retained or sold. If sold, the awarding agency (OHS) shall have a right to the fair market value proceeds from the sale of the equipment.
 - c. See 2 CFR 200.313 Equipment and other capital expenditures, and Office of Homeland Security Ad
- 2) This form along with the approval will need to be maintained in the subrecipient grant files.

Equipment Disposition Request Form

Purpose of Disposition of Equipment/Property:

When original or replacement equipment acquired with Homeland Security (HS) funds is no longer needed for the original project or program, the equipment may be retained, sold, or disposed, if not needed in any other Federally sponsored program. This form may be utilized to request to remove an equipment item from the inventory:

- 1) The subrecipient must obtain written (email) approval from the Division of Grants prior to disposing of any equipment purchased with HS funds.
 - a. Equipment with the per item fair market value of less than \$5,000.00 may be retained, sold, or disposed with no further obligation to the awarding agency.
 - b. Equipment with a per item fair market value of \$5,000.00 or more may be retained or sold. If sold, the awarding agency (OHS) shall have a right to the fair market value proceeds from the sale of the equipment.
 - c. See 2 CFR 200.313 Equipment and other capital expenditures, and Office of Homeland Security Ad
- 2) This form along with the approval will need to be maintained in the subrecipient grant files.

Purpose of Disposition of Equipment/Property:

When original or replacement equipment acquired with Homeland Security (HS) funds is no longer needed for the original project or program, the equipment may be retained, sold, or disposed, if not needed in any other Federally sponsored program. This form may be utilized to request to remove an equipment item from the inventory:

- 1) The subrecipient must obtain written (email) approval from the Division of Grants prior to disposing of any equipment purchased with HS funds.
 - a. Equipment with the per item fair market value of less than \$5,000.00 may be retained, sold, or disposed with no further obligation to the awarding agency.
 - b. Equipment with a per item fair market value of \$5,000.00 or more may be retained or sold. If sold, the awarding agency (OHS) shall have a right to the fair market value proceeds from the sale of the equipment.
 - c. See 2 CFR 200.313 Equipment and other capital expenditures, and Office of Homeland Security Ad
- 2) This form along with the approval will need to be maintained in the subrecipient grant files.

Equipment Disposition Request Form

Purpose of Disposition of Equipment/Property:

When original or replacement equipment acquired with Homeland Security (HS) funds is no longer needed for the original project or program, the equipment may be retained, sold, or disposed, if not needed in any other Federally sponsored program. This form may be utilized to request to remove an equipment item from the inventory:

- 1) The subrecipient must obtain written (email) approval from the Division of Grants prior to disposing of any equipment purchased with HS funds.
 - a. Equipment with the per item fair market value of less than \$5,000.00 may be retained, sold, or disposed with no further obligation to the awarding agency.
 - b. Equipment with a per item fair market value of \$5,000.00 or more may be retained or sold. If sold, the awarding agency (OHS) shall have a right to the fair market value proceeds from the sale of the equipment.
 - c. See 2 CFR 200.313 Equipment and other capital expenditures, and Office of Homeland Security Ad
- 2) This form along with the approval will need to be maintained in the subrecipient grant files.
