The Pike County Multi-Hazard Mitigation Plan is a multi-jurisdictional plan that covers the following jurisdictions that participated in the planning process:

- Unincorporated Pike County
- City of Louisiana
- City of Bowling Green
- City of Clarksville
- Bowling Green R-I School District
- Louisiana R-II School District
- Pike R-III School District
- Mudlick Prairie Levee District
- Pike Grain Levee District

Pike County and the entities listed above developed a Multi-Jurisdictional Hazard Mitigation Plan that was approved by FEMA in 2017 (hereafter referred to as the 2017 Hazard Mitigation Plan). This current planning effort serves to update the previously approved plan.

Resolution # \_\_\_\_\_

**Adopting the Pike County Multi-Jurisdictional Local Hazard Mitigation Plan**

**Whereas**, Bowling Green R-I recognizes the threat that natural hazards pose to people and property within our community; and

**Whereas**, undertaking hazard mitigation actions will reduce the potential for harm to people and property from future hazard occurrences; and

**Whereas**, the U.S Congress passed the Disaster Mitigation Act of 2000 ("Disaster Mitigation Act") emphasizing the need for pre-disaster mitigation of potential hazards;

**Whereas**, the Disaster Mitigation Act made available hazard mitigation grants to state and local governments; and

**Whereas**, an adopted Local Hazard Mitigation Plan is required as a condition of future funding for mitigation projects under multiple FEMA pre- and post-disaster mitigation grant programs; and

**Whereas**, Bowling Green R-I fully participated in the hazard mitigation planning process to prepare this Multi-Jurisdictional Local Hazard Mitigation Plan; and

**Whereas**, Bowling Green R-I desires to comply with the requirements of the Disaster Mitigation Act and to augment its emergency planning efforts by formally adopting the Pike County Multi-Jurisdictional Local Hazard Mitigation Plan; and

**Whereas**, adoption by the governing body for Bowling Green R-I demonstrates the jurisdictions' commitment to fulfilling the mitigation goals outlined in this Multi-Jurisdictional Local Hazard Mitigation Plan; and

**Whereas**, adoption of this legitimizes the plan and authorizes responsible agencies to carry out their responsibilities under the plan;

**Now, therefore, be it resolved**, that Bowling Green R-I adopts the "Pike County Multi-Jurisdictional Local Hazard Mitigation Plan" as an official plan; and

**Be it further resolved**, Bowling Green R-I will submit the updated plan along with this Adoption Resolution to the Missouri State Emergency Management Agency and Federal Emergency Management Agency Region VII officials to enable the plan's final approval.
