The Marion County Multi-Hazard Mitigation Plan is a multi-jurisdictional plan that covers the following jurisdictions that participated in the planning process:

- Unincorporated Marion County
- City of Hannibal
- City of Palmyra
- Fabius Drainage District
- South River Drainage District
- Marion County Ambulance District
- Northeast Missouri Emergency Communications Center
- Marion County R-2
- Hannibal Public School District #60
- Palmyra R-I School District

Marion County and the entities listed above developed a Multi-Jurisdictional Hazard Mitigation Plan that was approved by FEMA on September 27, 2016 (hereafter referred to as the 2016 Hazard Mitigation Plan). This current planning effort serves to update the previously approved plan. Marion County Drainage District participated in the planning process, but ultimately did not to adopt the plan.

Resolution Adopting the

Marion County Multi-Jurisdictional Local Hazard Mitigation Plan

Whereas, the Marion County Commission recognizes the threat that natural hazards pose to people and property within our community; and

Whereas, undertaking hazard mitigation actions will reduce the potential for harm to people and property from future hazard occurrences; and

Whereas, the U.S Congress passed the Disaster Mitigation Act of 2000 ("Disaster Mitigation Act") emphasizing the need for pre-disaster mitigation of potential hazards;

Whereas, the Disaster Mitigation Act made available hazard mitigation grants to state and local governments; and

Whereas, an adopted Local Hazard Mitigation Plan is required as a condition of future funding for mitigation projects under multiple FEMA pre- and post-disaster mitigation grant programs; and

Whereas, the Marion County Commission fully participated in the hazard mitigation planning process to prepare this Multi-Jurisdictional Local Hazard Mitigation Plan; and

Whereas, the Marion County Commission desires to comply with the requirements of the Disaster Mitigation Act and to augment its emergency planning efforts by formally adopting the **Marion County Multi-Jurisdictional Local Hazard Mitigation Plan**; and

Whereas, adoption by the governing body for the Marion County Commission demonstrates the jurisdictions' commitment to fulfilling the mitigation goals outlined in this Multi-Jurisdictional Local Hazard Mitigation Plan; and

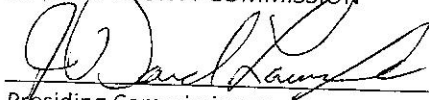

Whereas, adoption of this legitimizes the plan and authorizes responsible agencies to carry out their responsibilities under the plan;

Now, therefore, be it resolved, that the Marion County Commission adopts the "**Marion County Multi-Jurisdictional Local Hazard Mitigation Plan**" as an official plan; and

Be it further resolved, the Marion County Commission will submit the updated plan along with this Adoption Resolution to the Missouri State Emergency Management Agency and Federal Emergency Management Agency Region VII officials to enable the plan's final approval.

Approved this 19th day of April, 2021.

Adopting the Marion County Multi-Jurisdictional Local Hazard Mitigation Plan

Whereas, the South River Drainage District recognizes the threat that natural hazards pose to people and property within our community; and

Whereas, undertaking hazard mitigation actions will reduce the potential for harm to people and property from future hazard occurrences; and

Whereas, the U.S Congress passed the Disaster Mitigation Act of 2000 ("Disaster Mitigation Act") emphasizing the need for pre-disaster mitigation of potential hazards;

Whereas, the Disaster Mitigation Act made available hazard mitigation grants to state and local governments; and

Whereas, an adopted Local Hazard Mitigation Plan is required as a condition of future funding for mitigation projects under multiple FEMA pre- and post-disaster mitigation grant programs; and

Whereas, the South River Drainage District fully participated in the hazard mitigation planning process to prepare this Multi-Jurisdictional Local Hazard Mitigation Plan; and

Whereas, the South River Drainage District desires to comply with the requirements of the Disaster Mitigation Act and to augment its emergency planning efforts by formally adopting the Marion County Special Road District Multi-Jurisdictional Local Hazard Mitigation Plan; and

Whereas, adoption by the governing body for the South River Drainage District demonstrates the jurisdictions' commitment to fulfilling the mitigation goals outlined in this Multi-Jurisdictional Local Hazard Mitigation Plan; and

Whereas, adoption of this legitimizes the plan and authorizes responsible agencies to carry out their responsibilities under the plan;

Now, therefore, be it resolved, that the South River Drainage District adopts the "Marion County Special Road District Multi-Jurisdictional Local Hazard Mitigation Plan" as an official plan; and

Be it further resolved, the South River Drainage District will submit the updated plan along with this Adoption Resolution to the Missouri State Emergency Management Agency and Federal Emergency Management Agency Region VII officials to enable the plan's final approval.
